R. Dodge Woodson : 2006 International Plumbing Codes Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised 2006 International Plumbing Codes Handbook:

3 of 4 people found the following review helpful. I never got the item.By J GriffinThe item was never delivered. I emailed the seller and was told "this is the tracking number, call your post office." Well, I had already done that and they couldn't find the package before I emailed the seller. I still do not have the item.

The fast and easy way to understand the 2006 International Plumbing CodeWritten by authority by a veteran mster

plumber and master gasfitter, this indispensable resource interprets and annotates the 2006 International Plumbing Code using real-world examples and clear layperson language.
