R. Dodge Woodson : 2009 International Plumbing Codes Handbook before purchasing it in order to gage whether or not it would be worth my time, and all praised 2009 International Plumbing Codes Handbook:

0 of 0 people found the following review helpful. Five StarsBy MoetownGreat book - bought as a gift.0 of 0 people found the following review helpful. Good book, good sellerBy PaulThe used book "International plumbing codes handbook" was the one they offer it, in the time they offer it (less than 1 week to Miami), even if you are purchasing from Southamerica like me. Almost new, no highlights. I recommend it.0 of 0 people found the following review helpful. GOOD INFOBy GeoInteresting reading for the subject, nicely done and presentation was clear.A good

START for understanding plumbing and the code. Basics are there.

A Complete Guide to the 2009 International Plumbing Codes Fully updated to reflect the changes in the International Code Council 2009 International Plumbing Code, this authoritative volume follows the IPC chapter by chapter. Master plumber, master gasfitter, and bestselling author R. Dodge Woodson puts the International Plumbing Code and the Private Sewage Disposal Code into plain English for easy use on the job. Woodson's ready-to-use answers help you get plumbing jobs done right, on time, and up to the standards of the 2009 codes. It's all the plumbing information you need in one reliable resource, including how to: Solve pipe, drainage, vent, trap, and other plumbing questions FAST

About the Author R. Dodge Woodson has over 30 years of experience as a licensed plumber and Master Gasfitter, and has authored more than 80 books relating to the construction trades. He has owned and operated construction companies in Virginia and Maine, and served as an adjunct faculty member for the Central Maine Technical College, where he taught code and apprenticeship classes.
