Robert Zakanitch : A Garden Of Ordinary Miracles: An Alphabet Book before purchasing it in order to gage whether or not it would be worth my time, and all praised A Garden Of Ordinary Miracles: An Alphabet Book:

2 of 2 people found the following review helpful. Excellent BookBy ShariIt's an excellent alphabet book--with so much more for children. Beautiful art work and a lot of interesting additional information, my grandkids will love it!
1 of 1 people found the following review helpful. Beautiful creative bookBy janice bayerI actually bought this as a Baby present. I purchased several - some to give to new parents who might have been given everything already. Also for grandparents who will enjoy sharing this book with young children.
2 of 2 people found the following review helpful. A beautiful book - for young and not-so-young!By SteveI love this book - it strikes an elegant balance between an educational read for the little-ones but is also engaging for those that might be along for the ride - or enjoying it on

their own! The hand-drawings provide a warm and natural feel that makes it a really fun and beautiful book to learn the alphabet. I bought two as gifts and am planning to get another!

A veritable illuminated manuscript cataloging the A to Z of nature's everyday wonders to create the perfect gift book. More than a master's-eye view of nature, and infinitely more than a simple illustrated A to Z book, *A Garden of Ordinary Miracles* catalogues the breathtaking beauty and variety of flowers in full bloom, in glorious hand-drawn illustrations. Anyone who loves nature will be instantly transported to an alphabetical landscape where everything from azaleas and zinnias bloom all year long. Each overgrown spread bursts with gorgeously rendered full-color and pen-and-ink representations of flora (and fauna) whose names begin with a particular letter. Prance through P, overrun by peonies and poppies, or wander around Ws wisteria and water lilies. With so much to look at and enjoy on each page, readers will be enchanted and entranced by the intricately detailed and whimsical nature of Zakanitch's art. Packaged as the ultimate gift for adults, gardeners, or those sitting at their knee, this garden book is nothing short of a miracle.

A beautifully illustrated text that offers the names of ordinary flowers and what they look like. There is so much to look at and enjoy on each page. Readers will be enchanted and entranced by the intricately detailed and whimsical nature of Zakanitch's art, combining pen and ink and color, it's worth acquiring for the artwork alone ~Joel Lerner, *Landscape* blogspot

About the Author Robert Zakanitch has been exhibiting his artwork since 1965. He has had numerous solo and group shows throughout the United States and Europe and has exhibited at the Metropolitan Museum of Art and the Museum of Modern Art in New York. He is the illustrator of *Last Night I Dreamed a Circus* and *Good Dog*.
