Betty E. M. Jacobs : All the Onions: Storey's Country Wisdom Bulletin A-204 (Storey Country Wisdom Bulletin) before purchasing it in order to gauge whether or not it would be worth my time, and all praised All the Onions: Storey's Country Wisdom Bulletin A-204 (Storey Country Wisdom Bulletin):

2 of 2 people found the following review helpful. Great Wisdom even greater resultsBy AKsmittyI was puzzled why my onions grew 3.5' stems while the bulb stayed the same size. After reading one page in this book I knew why. Seems the onion bulbs shipped to our location where short day for the southern hemisphere. Here in the extreme north the plant received too much sunlight so the bulbs never grew. Now that I know I've ordered long day bulbs and seeds for next years planting and harvest.Storey's Wisdom Bulletins are the go to resource for plain English gardening information.1 of 1 people found the following review helpful. More Than Just OnionsBy TroninMost of the Storey Country Wisdom Bulletins are gems, and this one is no exception. In addition to the common bulb onion, there are briefs on chives, garlic, garlic chives, leeks, potato onions, shallots, Egyptian onions, and Welsh onions. All of these include a discussion of planting, propagating, harvesting, and storing. A separate section deals with pests and diseases. The bulb onion section includes a discussion of which types of bulb onions work where and why.0 of 0 people found the following review helpful. Has it all.By ApolloEverything you need to know in a nut shell - or onion skin..
