Jack Staub : Alluring Lettuces: And Other Seductive Vegetables for Your Garden before purchasing it in order to gage whether or not it would be worth my time, and all praised Alluring Lettuces: And Other Seductive Vegetables for Your Garden:

0 of 0 people found the following review helpful. the same book as "75 Exciting Vegetables for Your Garden"By

flamandI just wanted to point out that this seems to be the same exact book as "75 Exciting Vegetables for Your Garden" by Jack Staub. Comparing the previews here on I can't detect any difference between them. Please correct me if I'm wrong!1 of 1 people found the following review helpful. A fine presentation recommended for any home and garden general lending libraryBy Midwest Book ReviewAlluring Lettuces and Other Seductive Vegetables for Your Garden features over seventy appealing vegetables from lettuces and peppers and carrots and more, blending stories and history with simple recipes perfect for gardeners who are also cooks. Lovely drawings of original art in full color embellish a fine presentation recommended for any home and garden general lending library.0 of 0 people found the following review helpful. Love this bookBy Patricia SechiGreat book, along with all the other Jack Staub books. The illustrations are just wonderful.

Seventy-five unusual and eminently beautiful vegetables are profiled in this charming book by expert gardener and garden designer Jack Staub. Within these pages, you'll discover produce not likely found at the supermarket, including the Asparagus Bean, Chinese Rat Tail Radish, Green Zebra Tomato, and Turkish Orange Eggplant. Staub presents the charming history and lore surrounding the plants as well as instructions for growing them outdoors or indoors in containers.

From the Inside FlapSeventy-five unusual and eminently beautiful vegetables are profiled in this charming book by expert gardener and garden designer Jack Staub. Within these pages, you'll discover beautiful produce not likely found at the supermarket, including the Asparagus Bean, Chinese Rat Tail Radish, Green Zebra Tomato, and Turkish Orange Eggplant. The book includes history, stories, and lore surrounding the plants, as well as instructions for growing them outdoors or indoors in containers. Whether you're an avid gardener or a dabbler, you'll love the flowery descriptions and original art showcasing these vegetables that are perfect for your garden. JACK STAUB is widely considered to be one of the country's leading experts on edible plants and vegetable garden design. His celebrated gardens at Hortulus Farm in Wrightstown, Pennsylvania, have been featured in numerous publications, including House Garden and House Beautiful. www.hortulusfarm.comFrom the Back CoverThis book features 75 exciting, luscious, and appealing vegetables for your garden. Lettuces, peppers, carrots, radishes, onions, artichokes, pumpkins, tomatoes, eggplants, and more are examined in charming detail, with stories, history, information on growing, and even simple recipes for cooking and serving. Richly illustrated with original art, these lusty plants will appeal to the gardener in everyone.About the AuthorJack Staub is one of the country's leading experts on fruit and vegetable gardening. He frequently lectures on the subject, and his articles have appeared in numerous magazines and print publications, including Country Living, Fine Gardening, and The New York Times. He is also a featured guest on NPR. You can learn more about Jack and Hortulus Farms at <http://hortulusfarmdiary.blogspot.com>.
