Mary Emmerling : American Country: A Style And Source Book before purchasing it in order to gage whether or not it would be worth my time, and all praised American Country: A Style And Source Book:

0 of 0 people found the following review helpful. Four StarsBy Carol SmiarowskiThe seller full filled his end of the bargain. I got exactly as described.4 of 5 people found the following review helpful. The "Country" BibleBy Shelby CoxThis book has so much of the weathered, time-worn, used-up with love things we care so very much about. I bought this book when it first came out and I have never gotten tired of looking at it or reading it. The photos are wonderful. One of my all-time favorites.

Foreword by Robert Bishop. American Country is a rediscovery of the simple, well-loved things of this nation's past. Painted chests, ladderback chairs, quilts, baskets, stenciled walls, and folk art show the natural beauty of the past. More than 700 color and black-and-white photographs.
