gardener! By Evey BAHS Practical Guides are still the best all-around growing guides for the beginning home gardener. As a Louisiana Master Gardener, I am frequently sending folks to find (and purchase) these books from the selection of used books on .

Here are two new competitively priced, compact, full-color guides that focus on a specific gardening topic, solve an array of gardening problems, and present every important plant group. Combining the authority of the American Horticultural Society with the visual magic of DK design, these practical handbooks are the ultimate quick-reference guides for gardeners. The AHS Practical Guides address particular needs and solve specific problems. With this wide range of small, affordable titles gardeners can build a customized mini-reference library that enables them to solve problems, acquire skills, and further develop their passion for the soil.

About the Author The American Horticultural Society (AHS) educates and inspires people of all ages to become successful and environmentally responsible gardeners by advancing the art and science of horticulture.
