Very nice pictures and fun to read.By A CustomerI like this book because it gave me several design ideas that I could use in building my home. The pictures were great and it's worth the money!

Today log homes enjoy a new wave of popularity, and this book picks up on this trend. First published in hardcover 1986, it has sold more than 50,000 copies. Now in an affordable paperback edition with updated lists of designers and builders, it is a valuable resource for anyone interested in owning a log home. 214 photographs and 24 houseplans.
