Alys Fowler, Steve Benbow : Letters to a Beekeeper before purchasing it in order to gage whether or not it would be worth my time, and all praised Letters to a Beekeeper:

This the story of how, over the course of a year, Alys, the Guardian gardening writer, learns how to keep bees; and Steve, the urban beekeeper, learns how to plant a pollinator-friendly garden. Part beautifully designed coffee-table book, part manifesto, this collection of engaging letters, emails, texts, recipes, notes and glorious photos creates a record of the trials, tribulations, reward and joys of working with, rather than against, nature. And along the way, the reader picks up a wealth of advice, tips and ideas for growing food and keeping pollinators well fed.

"A heartwarming tale of perseverance and survival between bees, plants and those who want to lend a helping hand." * Gardens Illustrated *About the AuthorAlys Fowler is the author of Garden Anywhere and The Edible Garden, and hosts the television show The Edible Garden. Steve Benbow runs the London Honey Company, which has hives on the roofs of Fortnum Mason, Tate Modern and the National Portrait Gallery. His first book was The Urban Beekeeper.
