Linda Dano : Living Great before purchasing it in order to gauge whether or not it would be worth my time, and all praised Living Great:

Emmy-winning actress Linda Dano--already known to millions for her role on NBC's *Another World*, her appearances on shows from Oprah to Rosie O'Donnell, and her talk show, *Attitudes*, on the Lifetime cable channel--has also become famed for her fashion flair. After designing her own accessory line and opening a fashion-consulting business, she shared her beauty and style expertise in *Looking Great...*, praised by *Newsday* for its warmth and lack of pretension as well as its pragmatic advice. Now, she follows that success with *Living Great...*, an equally delightful and readable guide that applies her principles of style to designing and decorating a home. Whether it's a small studio apartment or a mansion, Dano offers down-to-earth advice, teaching readers how to assess their current decor, get rid of clutter, choose colors, shop wisely, and transform their homes floor-to-ceiling...and do it all on a budget! Dano

covers the basics and beyond--with everything from tips on painting and carpeting to easy, do-it-yourself projects that will add that extra bit of style. With the same smart simplicity that made her first book a hit, Dano presents a terrific, realistic guide to creating a place you'll be proud to call home.
