Lotta Jansdotter : Lotta Jansdotter's Handmade Living: A Fresh Take on Scandinavian Style before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lotta Jansdotter's Handmade Living: A Fresh Take on Scandinavian Style:

3 of 3 people found the following review helpful. A pretty book for the table
By mamma31337 This is a pretty book, and I would feel good putting it out on the coffee table. I was hoping for more ideas and projects, but this is really a lifestyle book. It is a nice addition to my collection, but lacked the ummph I was looking for. Also, if you don't have an IKEA near you, you might find it hard to replicate some of the lovely ideas in this book. I live within 30 miles of an IKEA so honestly I have seen or used a lot of these techniques for years.
0 of 0 people found the following review helpful. Great book, outstanding bookseller
By ShellMadeItem exactly as described and packaged well. The book itself is a great reference tool for me and a good introduction to Lotta's style. Can't wait to try the recipies!
11 of 11 people found the following review helpful. Not as expected :-/
By MAI expected a book full of projects and instructions ,so i

was very disappointed when it arrived. There are only 2 basic projects with instructions. On the other hand it has nice ideas for entertaining and contains 12 recipes.

Beloved designer Lotta Jansdotter's smart, organic design has earned her international acclaim. Now she shares her recipe for a stylish home: take a whole lot of Scandinavian influence, mix in a dash of flea-market finds, and then top it all off with expressive handmade touches. The result? An entirely fresh approach to home decor and contemporary living. In this lavishly illustrated book, Lotta shares her decorating secrets, design resources, entertaining tips, and family traditions. Tucked away at the back she's included stencil pages and perforated recipe cards featuring classic Swedish dishes. Equal parts inspiration and how-to, this charming book shows readers how to create a warm home with elements of simple Scandinavian-influenced style.

About the Author Lotta Jansdotter is a self-taught designer who sells her products and designs across the globe. She lives in Brooklyn, New York. Photographer Jenny Hallengren lives and works as a freelance photographer in Stockholm, Sweden.
