Judy Glattstein : Made for the Shade before purchasing it in order to gage whether or not it would be worth my time, and all praised Made for the Shade:

Home gardeners looking for answers to the question of what to plant in shady places, will find answers to their problems in this volume. The book emphasizes the importance of good gardening sense and explains how plants can be matched to different conditions based on their natural habitat. Presented here are detailed descriptions and instructions for nurturing trees, shrubs, ground covers, perennials, bulbs, tubers, and annuals that thrive in shady

places. This attractive, informative, but above all useful volume features 150 full-color photos.
